

# THE DIOCESE OF VIRGINIA

## 2017 Description of Budgeted Income and Expenses

### INCOME BUDGET ITEMS

#### A. ANTICIPATED PLEDGE INCOME

Projected total voluntary pledges from Virginia churches for the support of the mission of the diocese.

#### B. OTHER UNRESTRICTED INCOME TO SUPPORT DIOCESAN BUDGET

Total of non-pledge income from various sources. Examples include individual gifts and donations, and investment income from operating cash management.

#### C. VIRGINIA EPISCOPALIAN INCOME: SUBSCRIPTIONS/ADVERTISEMENTS

In 1966, Annual Council established a policy for each communicant household to receive the Virginia Episcopalian, and called on congregations to contribute \$3.75 per household to help defray publication costs. The Executive Board raised the asking just twice since then and the current rate is \$5.00 per household and \$6.00 per year for non-diocesan subscriptions. Advertisement income is also captured in this line.

#### D. HEALTH INSURANCE ADMINISTRATION REIMBURSEMENT

A percentage of health and dental insurance premium was approved by the 1995 Executive Board to reimburse the diocesan budget for expenses of plan administration (consultant, staff, postage, audit and account float). Diocesan auditors monitor the appropriate level of this account. With the change to the Denominational Health Plan in 2011, this amount was reduced to two-percent of premiums and is continued in 2017.

#### E. RESTRICTED INCOME

These funds are available from endowed funds and restricted monies set aside by earlier donations. This income is generally restricted for specific purposes which are fulfilled through the operating budget. Income from the Reid Trust is used to support the mountain missions and income from the Episcopal Fund is used to support our bishops, as examples.

## EXPENSE BUDGET ITEMS

### A. Support of Our Greater Church Community

This diocese is part of the worldwide Anglican Communion. Our support of the general Church budget is a vivid reminder of this truth; that in our differences we remain one in heart and spirit through Jesus Christ who continues to work through the people of the Church to fashion a new creation. The budget formula of the general Church, revised at the 2015 General Convention, asked the Diocese of Virginia for a 2017 pledge of 16.5% of total diocesan income after a \$120,000 exemption. Total diocesan income is generally defined as operating income from churches and all other unrestricted income sources based on the prior year's audit, in this case the 2015 audit.
