Pertinent skills you bring to this work:

Over 40 year background as a lawyer in financing transactions and resultant familiarity with investment related matters; 10 year background in representation of the Roslyn Trustees on financing, fiduciary, will construction and other matters; interaction with Mike Kerr over many years while he served as Treasurer of the Diocese in connection with financing matters relating to the Diocese, the Roslyn Trustees and some of the church schools in the Diocese; almost 20 years of service as a Trustee of the Foundation with more direct involvement in its affairs over the last five years as its Secretary/Treasurer.

Why do you wish to serve?

I'm a life long Episcopalian with a desire to assist in making sound investment and related decisions for the benefit of Trustees of the Funds and its participants in these challenging financial times due in large part to overall declining membership in the Episcopal Church.
