Pertinent skills you bring to this work:

- Extensive experience in the wider church, prayerfully listening to and discerning a way to move forward together
- Commitment to be informed and to share materials with others to bring them into the conversations
- Ability to see what needs to be accomplished, often in a very short period of time, give assistance and work toward consensus to achieve a goal

Why do you wish to serve?

I feel that my past participation in a variety of places enables me to bring knowledge to the work of the church as we move forward. I appreciate the opportunities as a General Convention deputy to share with others in the wider church as we strive to be faithful witnesses to our gospel imperative. The work to nurture and to respond to the needs of those within as well as those outside our walls is a life-long and life-giving goal as an active member of The Episcopal Church.
