

**WORKSHEET FOR CONGREGATIONAL PLANNING**

**According to the new Virginia Plan for Covenantal Giving, a congregation should use the following formulas in planning toward a basic pledge to the Diocese of Virginia.**

**Congregation's Pledge to Diocese for 2023 should be calculated as follows:**

Parochial Report line 3 for calendar year 2021\* \$ \_\_\_\_\_  
Parochial Report line 3 for calendar year 2020 \$ \_\_\_\_\_  
Parochial Report line 3 for calendar year 2019 \$ \_\_\_\_\_  
Total of three prior lines \$ \_\_\_\_\_  
Annual average of that total \$ \_\_\_\_\_  
8% of that average \$ \_\_\_\_\_

\*The figure for 2021 must be used here (rather than a figure for 2022) because 2022 has not ended and thus has not been included yet in a parochial report.

**Congregation's Pledge to Diocese for 2024 should be calculated as follows:**

Parochial Report line 3 for calendar year 2022 \$ \_\_\_\_\_  
Parochial Report line 3 for calendar year 2021 \$ \_\_\_\_\_  
Parochial Report line 3 for calendar year 2020 \$ \_\_\_\_\_  
Total of three prior lines \$ \_\_\_\_\_  
Annual average of that total \$ \_\_\_\_\_  
9% of that average \$ \_\_\_\_\_

**Congregation's Pledge to Diocese for 2025 should be calculated as follows:**

Parochial Report line 3 for calendar year 2023 \$ \_\_\_\_\_  
Parochial Report line 3 for calendar year 2022 \$ \_\_\_\_\_  
Parochial Report line 3 for calendar year 2021 \$ \_\_\_\_\_  
Total of three prior lines \$ \_\_\_\_\_  
Annual average of that total \$ \_\_\_\_\_  
10% of that average \$ \_\_\_\_\_
