### Pertinent skills you bring to this work:

I have been a priest in the Episcopal Church for 30 years and have served in a wide variety of churches, large and small. I believe that I have a lot of experience to offer, working with many different kinds of people in many different situations. If elected, I would bring my knowledge of the church and my experience of working with God's people, both within the church and beyond the church walls.

### Why do I wish to serve?

I feel that it is time for me to give back to the diocese and to be a better connection between the church and the diocese.
