

## What is special to you?

*These questions are useful to help us, individually or as a group, think about our legacy and what goal we want to achieve.*

- What impact do you want your legacy gift to have?
- In what ways do you see your legacy gift perpetuating what matters most to you?
- What has been the most meaningful experience you have had at your church?
- How has your time at your church impacted your life?
- What keeps you up at night regarding your legacy, your community, and what would make you rest easier about that?
- What values do you want to leave to your children or to others in your life? Did you inherit this from someone? How is this value evident in your life? Is this value part of the legacy you hope to leave to your congregation or your community?
